Marine Clean Detailing Specialists

To our valued customer,

I would like to thank you for using the services that Marine Clean Detailing Specialists have provided for you in the past. This year we are starting a Refer A Friend Program. You can use the below \$50 certificate towards a completed interior and exterior detailing of your vessel. The rules of the program are that once you have one of your friends have us perform a complete interior and exterior detailing of their vessel, you qualify to use the certificate provided below. You just write their name in the space provided on the certificate above, so we can validate your certificate through our records. Any customers that you refer in this program can not be a previous customer of Marine Clean Detailing Specialists. They have to be a new customer to our business.

Sincerely,
Larry Lake
