Kittson County History (Hallock, County Seat)

Kittson County was established from part of Pembina County in 1879 and named after Norman Wolfred Kittson, an early pioneer who was influential in its founding. Hallock was selected as the county seat and the first courthouse was constructed in 1896. Railroad development allowed for dramatic growth and its population had grown from 7,889 in 1900 to over 9,600 by 1910. In 1964 a new courthouse was established and Kittson County has continued to prosper. Today Kittson County is home to approximately 4,374 residents.

Kittson County Communities

DONALDSON

The first store in the Donaldson area was constructed in 1879 by Edward Davis and the community was originally known as Davis, in his honor. William Couth served as the area's first postmaster in 1884 and the following year the community was renamed Donaldson after local landowner and Civil War veteran Captain Hugh W. Donaldson. In 1902 the community was incorporated as a village and the area has continued to thrive. Today Donaldson is home to approximately 35 residents.

HALLOCK (COUNTY SEAT)

Hallock was founded by Charles Hallock in 1880 and the community was named in his honor. Streets were platted and by 1887 Hallock was incorporated. A hotel was constructed in 1890 and businesses were established to meet the growing needs of its residents. Hallock was selected as the county seat and early industry was dominated by agriculture. Railroad construction allowed for growth and the area continued to develop. Today Hallock is home to approximately 998 residents.

HALMA

Halma was first settled by John Edwin Holm in 1875. Holm served as the area's first postmaster in 1902 and also established the first store. As the railway arrived, Halma continued to grow and the community was incorporated as a village in 1923. Today Halma is home to approximately 64 residents.

HUMBOLDT

Located in St. Vincent Township, Humboldt was originally recognized as Fairview in 1889 when its first post office was established. In 1896 the community was renamed to honor Baron Alexander von Humboldt, a German author and scientist. As the railway arrived Humboldt continued to prosper. Today Humboldt is home to approximately 51 residents.

KARLSTAD

Established in 1905, Karlstad was first settled by Carl August Carlson. Its name honors its first settler and Karlstad, Sweden, from where many settlers originated. As rail lines were constructed and buildings from nearby Pelan were moved to Karlstad, the community began to develop dramatically. Businesses included a hotel, general store, livery stable, lumberyard, flour mill and a grain elevator. Today Karlstad is home to approximately 660 residents.

Kittson County Communities

KENNEDY

Kennedy was platted in 1880 and named after John Stewart Kennedy, a railway director, banker, iron merchant and philanthropist. A post office was established in 1881 and by 1899 Kennedy was incorporated as a village. Today Kennedy is home to approximately 206 residents.

LAKE BRONSON

In 1882 the Giles Bronson family arrived to the area to establish a homestead and the community was originally known as Percy. Maggie Bronson served as its first postmaster in 1882 and businesses were established to meet the growing needs of its residents. Percy was renamed Lake Bronson in 1939 to honor its first settlers and the community continued to thrive. Today Lake Bronson is home to approximately 192 residents.

LANCASTER

The Lancaster area was first known as Lanerow as the area was settled in 1903. Bernard Johnson established the first hotel and the community was renamed Lancaster. In 1905 Lancaster was incorporated as a village and railway development allowed for growth. Today Lancaster is home to approximately 300 residents.

ST. VINCENT

St. Vincent was named to honor St. Vincent de Paul, a Catholic priest and missionary. The area was settled in 1857 and its first post office was established in 1878. In 1881 St. Vincent de Paul was incorporated as a village and the community continued to develop. Today St. Vincent is home to approximately 96 residents.

"We Push To Please"

Roseau County History *(Roseau, County Seat)*

Roseau County was established in 1894, named for the nearby Roseau Lake and river and received an addition from Beltrami county later in 1896. Many early settlers arrived to the area in search of timber and fertile land for agriculture. The city of Roseau was named the county seat after its incorporation in 1895 and as railroads entered the area, the county saw a growth in industry and businesses. By 1920 Roseau County had a population of 13,305 people and the area continued to develop. Its proximity to Canada has since made Roseau County a very important spot for passage and trade. Today Roseau County is home to approximately 15,911 residents.

STRATHCONA – pop. 28

WARROAD – pop. 1,656

**Populations are approximate.*

Roseau County Communities

BADGER

Badger was first settled by J. W. Durham in 1884 and was named after Badger Creek, which flows northwest of the city and is also a tributary to the Roseau River. The first post office was established in 1889 and as railroad lines were constructed, Badger began to thrive and was incorporated in 1906. Today Badger is home to approximately 459 residents.

GREENBUSH

The name Greenbush was derived from the Ojibwe Indian word, “Sha Ach Wah,” meaning spruce tree or green bush. Settlers arrived in the 1800s and were mainly of Scandinavian descent. The post office was established in 1892 and as the area began to develop, schools, churches, stores, mills and blacksmith shops were built. Greenbush officially was incorporated as a city in 1905. Today Greenbush is home to approximately 739 residents.

ROSEAU (COUNTY SEAT)

Roseau was settled in 1888 and was named for the Roseau Lake and River. The city was platted in 1892 and incorporated in 1895, the same year the post office was established. Roseau was selected as the county seat and as the railroad was built in 1900, the area continued to develop. Roseau became a gateway to Canada in 1930 and new business and industry made the community prosperous. Roseau has since become very popular for summer and winter travelers due to its proximity to a variety of lakes. Today Roseau is home to approximately 2,758 residents.

STRATHCONA

Strathcona was named in honor of Donald Alexander Smith, who later became Baron Strathcona, of Scotland. The first settlers arrived in the area in the late 1890s and Charlie Gunheim, built the first store in the city in 1904. Hans Lerum served as the first postmaster when the post office was established in 1905. As railroads arrived business and industry began to thrive in the community. Today Strathcona is home to approximately 28 residents.

WARROAD

Warroad was once the largest Chippewa Indian village in the area. The name comes from the area where both the Chippewa and Sioux Indians often fought their wars along the trails of the Warroad River. By 1900 Warroad supported strong commercial fishing operations. The community was incorporated in 1901 and a school, churches and businesses were established. As commercial fishing declined, tourism became the main sustenance for the local economy. Today Warroad is home to approximately 1,656 residents.

Marshall County History (Warren, County Seat)

Marshall County was established in 1879 as the fertile soil, ample timber and access to water attracted many settlers. It was named in honor of Minnesota Governor William Rainey Marshall and the city of Warren was selected as the county seat. Agriculture led early industry and railroad construction provided the means for growth. By 1920 the population of Marshall County had reached 19,443 and as steamboat travel began to slow, its population began to decline. Today Marshall County is home to approximately 9,184 residents.

**Populations are approximate.*

Marshall County Communities

ALVARADO

The Alvarado area was settled in 1879 and originally recognized as Snake after the Snake River. The first post office was established in 1888 with Ole Sand serving as postmaster. The Alvarado rail station was constructed in 1903 and the community was renamed after it in 1905. By 1907 the community was incorporated and Alvarado has continued to grow. Today Alvarado is home to approximately 331 residents.

ARGYLE

Settled in the 1880s, Argyle was first known as Frenchtown. A post office was established in 1878 and in 1882 the community was renamed after Argyle, Maine, from where several settlers originated. In 1883 Argyle was incorporated and businesses included a hotel, flour mill, general store and specialty shops. Railroad construction allowed for growth and the area has continued to thrive. Today Argyle is home to approximately 578 residents.

GRYGLA

Grygla was settled in 1898 as pioneers arrived to stake land claims. The name Grygla was submitted by the post office inspector Count Gryglvitch as a name could not be agreed upon. The community became a stopping place for travelers that were en route to Thief River Falls and by 1914 businesses included a creamery, hotel, hospital, feed store, blacksmith shop and a variety of specialty shops. Today Grygla is home to approximately 212 residents.

HOLT

In 1886 Halvar Holte arrived to the area and the community was named in his honor and a post office was established later that year. By 1890 Holt was organized and businesses were established to meet the growing needs of its residents. In 1915 Holt was incorporated as a village and the area has continued to develop. Today Holt is home to approximately 81 residents.

MIDDLE RIVER

Middle River was settled in 1879 as pioneers were attracted to the ample natural resources and access to water. The community was named after nearby Middle River and as rail lines were constructed, the area began to develop. By 1904 Middle River was incorporated as a village and the community is now widely known for its Goose Festival celebration held every October. Today Middle River is home to approximately 290 residents.

Marshall County Communities

NEWFOLDEN

Newfolden was first known as Baltic until settlers decided upon the name Newfolden. A post office was established and railroad construction allowed for dramatic growth. By 1904 the area boasted over 180 residents, a lumberyard, grist mill, bank, general stores, hotels and specialty shops. The community is now recognized as the home of the Lokstad rolling pin and is often referred to as “the rolling pin capital of Minnesota.” Today Newfolden is home to approximately 326 residents.

OSLO

Oslo was settled in 1878 as settlers were attracted to the access to the ample natural resources. The community became a stopping place along the Red River and in 1905 Oslo was incorporated. Its name was changed to Soo City in 1907, but was renamed to its original Oslo in 1908. By 1910 its population had reached 344 and the community has continued to prosper. Today Oslo is home to approximately 309 residents.

STEPHEN

Settlers were attracted to the fertile soil of the Stephen area and the community was named in honor of George Stephen, a railroad financier of James J. Hill. The first post office was established on the farm of the John Hughes family in 1879 and by 1883 Stephen was incorporated. Businesses, churches and a school were established and the area continued to develop upon construction of the railroad. Today Stephen is home to approximately 615 residents.

STRANDQUIST

Located in Lincoln Township, Strandquist was settled in the 1890s. The community was named in honor of John Erik Strandquist who operated a general store in the area and also established a post office. Strandquist was incorporated in 1923 and the community has continued to grow. Today Strandquist is home to approximately 80 residents.

VIKING

Viking was organized in 1884 and named by Reverend Hans P. Haskin after a Scandinavian word for sea king. The first post office was established in 1890 and as rail lines were constructed, Viking continued to develop. In 1921 the community was incorporated and Viking was widely recognized as, “the bachelor capital of Minnesota,” in 1948 as 100 out of its 180 residents were single men. Today Viking is home to approximately 84 residents.

Marshall County Communities

WARREN (COUNTY SEAT)

Settled by Charles Wenzel in 1879, Warren was named after Charles H. Warren, a railroad officer. A post office was established and Warren was incorporated as a village in 1881. The community was selected as the county seat and reincorporated as a city in 1892. Early industry was dominated by agriculture as residents raised wheat, soybeans and potatoes and the community once boasted the largest independent grain elevator. Today Warren is home to approximately 1,506 residents.

Hunting Safety

All hunters should consider taking an advanced hunter education class to learn the latest hunting techniques along with tips on coming home alive.

Here are five suggestions for a safe and successful hunting experience:

1. Get a detailed map of the area you are hunting, review it before you leave, and carry it with you in the field.
2. Carry a compass and know how to use it. Decide ahead of time the direction to head for if you get lost or disoriented.
3. Weather can change quickly, so hunters should carry a simple survival kit and be prepared for an unexpected overnight stay in the field. The survival kit should contain a rope, a knife, water, waterproof matches, an emergency shelter, and first aid supplies.
4. If you are on the water, make sure to wear a personal flotation device (life preserver).
5. Know your hunting partners' physical and emotional limitations, as well as your own, and don't push your partners or yourself beyond those limits.

Boating Safety

Operating Watercraft

Follow these guidelines to help prevent and prepare for capsizing, swamping, or someone falling overboard.

Make sure that you and your passengers are wearing life jackets while the boat is moving.

Attach the ignition safety lanyard to your wrist, clothes, or life jacket.

Don't allow anyone to sit on the gunwale, bow, seat backs, motor cover, or areas not designed for seating. Also, don't let anyone sit on pedestal seats when craft is not in idle.

Don't overload your boat. Balance the load of passengers and gear stored on-board.

Keep your center of gravity low by not allowing people to stand up or move around while craft is in motion.

In small boats, don't allow anyone to lean beyond the gunwale.

Turn boat at slow rates of speed.

Secure the anchor line to the bow, never to the stern.

Don't risk operating water craft in rough conditions or bad weather.

Common Fish Species

 Bass	 Crappie	 Smelt
 Catfish	 Muskellunge	 Sunfish
 Carp	 Northern Pike	 Trout
 Ciscos-Tullibe-Herring	 Salmon	 Walleye

Boating Safety

Know Your Craft

Who May Operate a Motorboat (Other Than a Personal Watercraft)

For engines 25 horsepower or less:

Those under age 12 may operate without restrictions.

For engines over 25 horsepower through 75 horsepower:

Those under age 12 must have someone 21 years of age or older on board within reach of the controls.

For engines over 75 horsepower:

No children under age 12 may operate, even with an adult on board.

Other restrictions apply to boat operators 12 to 17 years old:

Operators from 12 to 17 years of age may operate engines of 25 horsepower or lower with no restrictions.

For engines over 25 horsepower:

Operators 12 to 17 years of age must have:

A watercraft operator's permit, or someone age 21 years or older on board within reach of the controls.

Boating Safety

Flotation Devices

Offshore Life Jackets - Type 1:

For rough or remote waters where rescue may take awhile. Provide the most buoyancy, excellent for flotation, turns most unconscious persons face up in the water.

Near-Shore Vests - Type 2:

Good for calm waters when quick assistance or rescue is likely. Turns some unconscious wearers face up in the water, but not as efficiently as offshore life jackets.

Flotation Aids - Type 3:

Vests or full-sleeved jackets good for calm waters when quick assistance is likely. Not for rough waters. They will not turn most unconscious persons face up. Used for sports, such as water-skiing. Some inflate in water.

Unwearable / Throwable Devices - Type 4:

Cushions and ring buoys designed to be thrown to someone in trouble. Type 4 is not designed to be worn. Not for rough waters - not for anyone unable to hold on to it.

Special Use - Type 5:

Vests, hybrids/others designed for specific activities, for example windsurfing, kayaking, water-skiing. Some Type 5 devices inflate when entering the water. To be acceptable, Type 5 must be used in compliance with their label instructions.

All watercraft must have at least one Coast Guard Approved Type 1, 2, 3 or 5 flotation device that is the proper size for each person on board or being towed.

All devices must be in good condition and easily accessible.

Children under age 10 must wear a device when on board a boat that is underway unless: in an enclosed cabin or below deck or on an anchored boat that is being used for swimming or diving or passenger craft with a licensed captain.

Along with the above at least one approved Type 4 must be on board boats 16 ft. or longer (except canoes and kayaks) and immediately available.

A Coast Guard approved Type 5 device may be substituted for any other Coast Guard approved device if it meets the same requirements and is noted on the label.

Anyone riding a jet ski or other Personal Water Craft must wear an approved -non inflating flotation device, as well as anyone being towed by a water craft.

ATV Safety

- Read the owner's manual and know your vehicle thoroughly.
- Check your vehicle before you ride.
- Wear protective equipment and clothing.
- Don't lend your vehicle to unskilled riders.
- Supervise young or inexperienced riders.
- Never carry a passenger on vehicles meant for one rider.
- Do not operate under the influence of drugs or alcohol.
- Drive at speeds that are appropriate to trail conditions.
- Stay to the right on trails.
- Stay away from thin ice, open water and wetlands
- Know the weather forecast.
- Make sure headlights and taillights work properly.
- Maintain safe distances between other riders.
- Reduce your speed when riding at night.
- Yield to other motor vehicles and trail users.
- Young or beginning riders are encouraged to take a safety training course.

Bicycle Safety

- Always wear a properly fitting bike helmet as most serious injuries are to the head.
- Be sure your handlebars, seat and wheels fit snugly.
- Keep your bike in good shape by checking and oiling your chain, making sure your brakes work properly and maintaining your tire pressure.
- Always ride with both hands on the handlebars except when doing turn signals.
- When leaving a driveway, curb or alleyway always stop and check for traffic in both directions.
- Cross only at intersections.
- Use the crosswalk to walk your bike across busy intersections and follow the traffic signals.
- Never ride against traffic. Travel in the same direction as the cars.
- Whenever you can, use bike routes and avoid busy streets.
- Don't ride near parked cars as doors can open and cause accidents.
- Obey all traffic signs and traffic lights.
- When biking with friends, ride in a single file.
- Always pass other bikers or pedestrians on the left and say "On your left!" to make your presence known.
- Always use bicycle hand signals to alert traffic of your changing direction.

Snowmobile Safety

- Do not consume alcohol or take drugs prior to or during your snowmobile trip. Doing so increases your chances of injury or death.
- Slow down and don't cut to the inside of the trail corners. It's dangerous and illegal.
- If you snowmobile at night, don't override your lights.
- Always use the buddy system. Never ride off alone.
- Drowning is one of the causes of many snowmobile fatalities. Whenever possible, avoid the ice.
- Wear sensible, protective clothing designed for operating a snowmobile.
- Use a full size helmet, goggles, or visor to prevent injuries from twigs, stones, ice chips and other debris.
- Avoid wearing long scarves. They may get caught in moving parts of the snowmobile.
- Know the terrain you are going to ride. If unfamiliar to you, ask someone who has traveled over it before.
- Know the weather forecast, especially the ice and snow conditions.
- Be sure your snowmobile is in top-notch mechanical condition throughout the months of use.
- Familiarize yourself with the snowmobile you are driving. Thoroughly read the manual that accompanies the snowmobile.
- Do not pursue domestic or wild animals. That is not the conduct of a sportsman. Report such violations to the nearest law enforcement officer.

Common Trail Signs

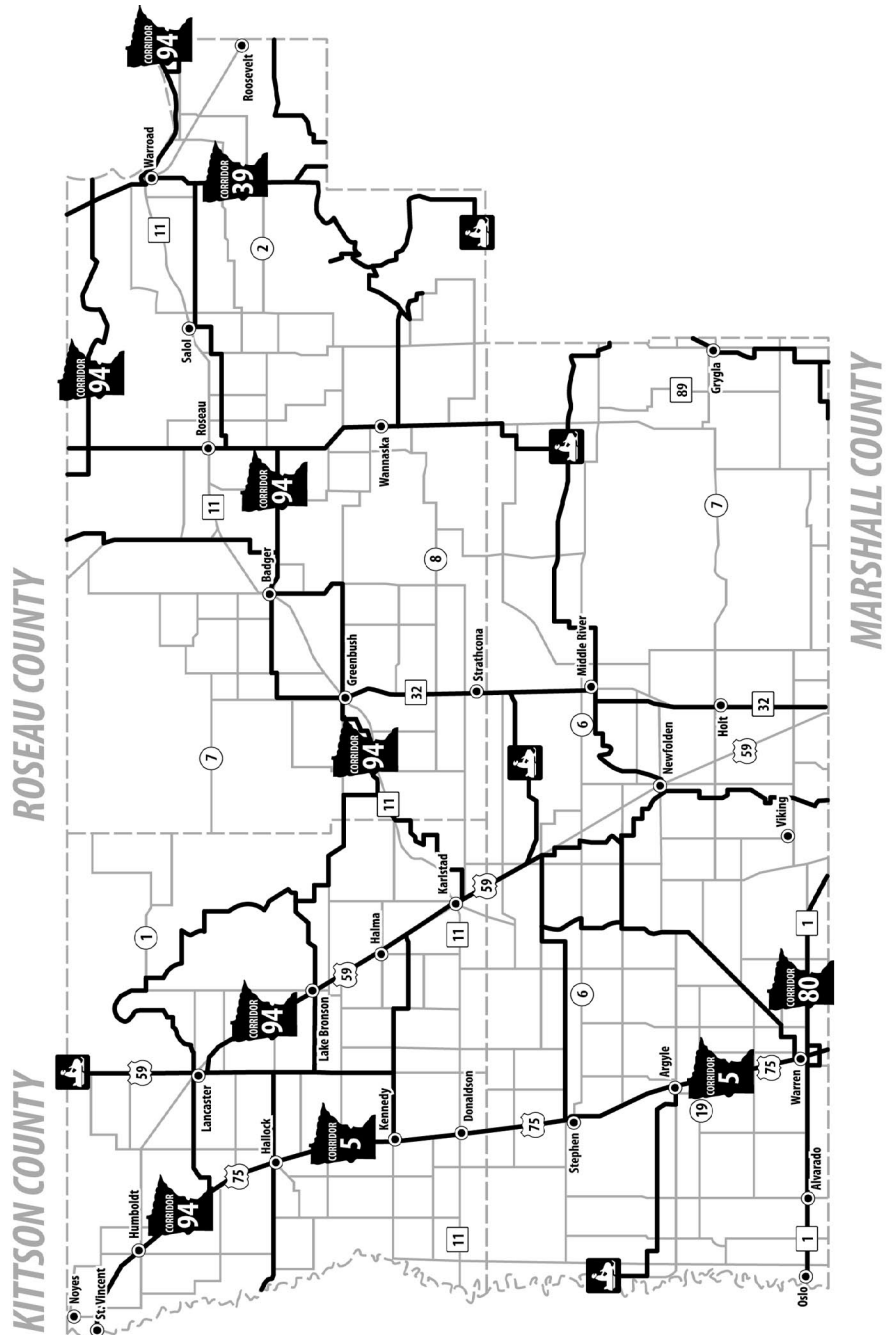

Snowmobile Safety

Communication is an essential part of safe riding. Hand signals are a practical way to communicate between other riders and traffic.

Be sure to give easy to see and clear hand signals when snowmobiling. Hand signals should never be subtle, but always deliberate.

**WILD
102**

**YOUR #1 HIT
MUSIC STATION**

The logo for Wild 102 is presented in a stylized, blocky font with a thick black outline. The word 'WILD' is positioned above the number '102'. Below the text is a silhouette of a mountain range with several peaks. The entire graphic is enclosed in a thick, hand-drawn style black border. A small 'TM' trademark symbol is located at the bottom right corner of the border.

⊕ *Emergency First-Aid Tips* ⊕

FIRST AID FOR BURNS & CHOKING

BURNS

For minor 1st and 2nd degree burns smaller than 3" in diameter: Cool the Burn. Run cool water over the burned area for 5 minutes, or until the pain diminishes. Never put ice on a burn!

Bandage the burn with sterile gauze:

It is important to use loosely wrapped gauze. This will avoid pressure and the bandage protects blisters. NEVER put lotions, vaseline, ointments or butter on burn. Do not break any blisters, which can cause infection.

Take Aspirin, Ibuprofen, Naproxen or Acetaminophen to relieve pain:

Minor burns usually heal with these basic treatments. Be aware for signs of infection which may include: increased pain, redness, fever, swelling or oozing. If symptoms develop, seek medical help. Avoid tanning the burned area for at least a year. Protect the area with sunscreen outdoors. Avoid giving aspirin to children.

For 3rd degree burns/all major burns - DIAL 911

DO NOT run cold water over large severe burns - this can cause shock.

DO NOT remove burnt clothing.

Check for signs of breathing/coughing/movement.

If there are no signs of breathing begin CPR.

Elevate burned areas above heart level, if possible.

Cover the burn(s) with cool, sterile, moist bandages, towels or cloth.

CHOKING

Most people clutch at their throats when choking, an obvious symbol for help. However, if a person isn't giving that signal, be alert for these indications. Inability to talk, difficulty breathing or noisy breathing, inability to cough forcefully, skin/lips/nails turning blue, loss of consciousness.

The Red Cross recommends a "five-and-five" method for first aid: First give five blows between the person's shoulders with the heel of your hand. Second, perform the Heimlich maneuver (abdominal thrusts) five times. Alternate between five back blows and five abdominal thrusts until the blockage is dislodged.

Safety Tips for Parents & For Kids

PARENTS:

- Teach your kids that an emergency is when you need help from a doctor, a police officer or a firefighter.
- Designate a safe place by your house that a child can go to if they need help right away.
- Have your kids memorize your address and phone numbers. They should also know your full name and where you work.

KIDS:

FIRE SAFETY

- If you or someone else is on fire - remember to STOP, DROP and ROLL. Wrap a blanket on the person to help put out the fire.
- If there is a fire, leave the house as fast as you can! Crawl on the floor to avoid smoke and if the door is hot, don't open it - find another way out.
- Learn all the fire exits in your house. Assign a safe place outside for everyone to meet in case of a fire emergency.

HOME ALONE

- Never tell anyone that you are home alone.
- If someone calls and ask for your mom and dad, tell them "They cannot come to the phone right now, can you please call back later?"
- Do not answer the door, unless it is someone that you know your parents have okay'd them to come over.
