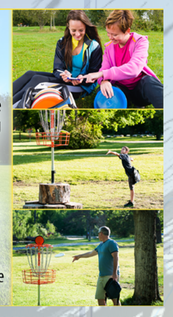
DEER HUNTING Tips

- **Wear Blaze Orange!** *Being mistaken for a deer, can be deadly*
- **Scout the Area:** *Before the hunting season begins, spend time scouting the hunting area. Look for deer signs such as tracks, droppings, rubs, and scrapes*
- **Practice Stealth and Scent Control:** *Deer have an excellent sense of smell and can be easily spooked by human scent*
- **Know the Local Regulations and Laws:** *Before you head out on your hunting trip, familiarize yourself with the local hunting regulations and laws.*

Remember that ethical hunting practices, respect for wildlife, and safety should always be paramount while participating in any hunting activity. Additionally, always make sure to follow local hunting guidelines and regulations to protect the environment and wildlife populations.
HAPPY HUNTING!

DISC GOLF



Disc golf or frisbee golf is played a lot like traditional ball golf but instead of hitting a ball with a club into a hole the player throws a frisbee into a basket. Disc golf can be played by just about anyone at any age. It's also an inexpensive sport to get into. Specialized frisbees for disc golf cost around $10-$15 and a lot of courses are free. Playing disc golf is a great way to get out for some exercise, enjoy nature and have some fun.

Chippewa County Parks

WEGDAHL PARK
Enjoy a beautiful picturesque park located along the Minnesota River just 5 miles south of Montevideo. The location is scenic, offers two new year-around cabin rentals, rentable camper sites with electricity, two shelters that can be reserved, a playground and a lot of open space. It is located next to a boat access and a paved bike path connecting you to Montevideo. Reservations can be made on line at http://www.co.chippewa.mn.us/notice.htm.

BUFFALO LAKE
Enjoy a rustic campground setting in a remote area located one mile north of Hwy 40 on County Road 4. Camping is free and camping locations are not set. There is no electricity or drinkable water available. Park includes a small shelter, playground and fire pits.

Call 320-269-6251if you have any questions. We hope you enjoy your adventure in Chippewa County!

EVERY DAY is EARTH DAY
Community/Home Gardens: Really good at absorbing carbon dioxide. Cuts down on pesticides/fertilizers. Also benefits mental health and provides fresh food.
Composting: Decreases the amount of trash in landfills and reduces carbon emissions.
Plant Trees: Planting trees is a classic Earth Day activity.
Local Food: Buy local sustainable food.
Clean-Up Events: Organize or participate in local clean-up efforts.
Upcycle Crafts: Get creative by turning old items into new useful objects.
