DEER HUNTING TIPS

- **Wear Blaze Orange!** Being mistaken for a deer, can be deadly
- **Scout the Area:** Before the hunting season begins, spend time scouting the hunting area. Look for deer signs such as tracks, droppings, rubs, and scrapes
- **Practice Stealth and Scent Control:** Deer have an excellent sense of smell and can be easily spooked by human scent
- **Know the Local Regulations and Laws:** Before you head out on your hunting trip, familiarize yourself with the local hunting regulations and laws.

Remember that ethical hunting practices, respect for wildlife, and safety should always be paramount while participating in any hunting activity. Additionally, always make sure to follow local hunting guidelines and regulations to protect the environment and wildlife populations. HAPPY HUNTING!
