**DISC GOLF**

Disc golf or frisbee golf is played a lot like traditional ball golf but instead of hitting a ball with a club into a hole the player throws a frisbee into a basket. Disc golf can be played by just about anyone at any age. It's also an inexpensive sport to get into. Specialized frisbees for disc golf cost around \$10-\$15 and a lot of courses are free. Playing disc golf is a great way to get out for some exercise, enjoy nature and have some fun.
