Hiking Safety Tips

Before heading out on a hike, make sure you are prepared. Determine the length of the hike you're going on and the type of terrain you are going to traverse. Make sure to wear suitable footwear depending on the weather and terrain. Pack an appropriate size backpack and proper gear for your hike. Let a friend or family member know when and where you are going and how long you plan on being gone.

DISC GOLF

Disc golf or frisbee golf is played a lot like traditional ball golf but instead of hitting a ball with a club into a hole the player throws a frisbee into a basket. Disc golf can be played by just about anyone at any age. It's also an inexpensive sport to get into. Specialized frisbees for disc golf cost around \$10-\$15 and a lot of courses are free. Playing disc golf is a great way to get out for some exercise, enjoy nature and have some fun.

Fishing

Fishing is a good way to get out and relax. It can also be a time to bond with family or friends. Fishing is healthy as well, being outside and active is good for the body and eating fish can be beneficial. There's also the excitement of never knowing what kind of fish is going to take the bait or how big it is going to be. Plus fishing helps support wild life management.

BIRD HUNTING TIPS:

- WHILE AIMING, USE A SWINGING MOTION. MAKE SURE YOUR CLOTHING IS NOT RESTRICTING.
- KNOW THE PATTERNS OF THE BIRDS YOU ARE HUNTING. DIFFERENT SPECIES HAVE DIFFERENT CHARACTERISTICS.
- PRACTICE MAKES PERFECT, BUT BIRDS DON'T FLY STRAIGHT. SHOOT AT CLAY PIGEONS TO HELP FAMILIARIZE YOUR MOVEMENTS.
- TRY HUNTING DOVES. THEY ARE FAST MOVING, AND MAKE FOR GOOD PRACTICE.
