DEER HUNTING Tips

Remember that ethical hunting practices, respect for wildlife, and safety should always be paramount while participating in any hunting activity. Additionally, always make sure to follow local hunting guidelines and regulations to protect the environment and wildlife populations. HAPPY HUNTING!

- Wear Blaze Orange:** Being mistaken for a deer, can be deadly
- Scout the Area:** Before the hunting season begins, spend time scouting the hunting area. Look for deer signs such as tracks, droppings, rubs, and scrapes
- Practice Stealth and Scent Control:** Deer have an excellent sense of smell and can be easily spooked by human scent
- Know the Local Regulations and Laws:** Before you head out on your hunting trip, familiarize yourself with the local hunting regulations and laws.

DISC GOLF

Disc golf or frisbee golf is played a lot like traditional ball golf but instead of hitting a ball with a club into a hole the player throws a frisbee into a basket. Disc golf can be played by just about anyone at any age. It's also an inexpensive sport to get into. Specialized frisbees for disc golf cost around \$10-\$15 and a lot of courses are free. Playing disc golf is a great way to get out for some exercise, enjoy nature and have some fun.

EVERY DAY IS EARTH DAY

Community Home Gardens: Really great at absorbing carbon dioxide. Cuts down on pesticides/fertilizers. Also benefits mental health and provides fresh food.

Composting: Decreases the amount of trash in landfills and reduces carbon emissions.

Plant Trees: Planting trees is a classic Earth Day activity. Local Food: Buy local sustainable food.

Clean-Up Events: Organize or participate in local clean-up efforts.

Upcycle Crafts: Get creative by turning old items into new useful objects.
