Once home to Winnebago Native Americans, Fond du Lac County was settled in the 1830s and established in 1836. By 1850 the area was organized and communities were founded as pioneers were attracted to the ample timber, fertile soil and water supply. The City of Fond du Lac was selected as the county seat and the area continued to thrive. Railroad development allowed for dramatic growth and early industry was led by agriculture and lumbering. By 1900 its population had reached 47,589 and the area continued to prosper. Today Fond du Lac County is home to approximately 104,154 residents.

**Populations are approximate.*

CAMPBELLSPORT

Once known as Crouchville, Campbellsport was settled in 1846. The community was renamed after Stuart Campbell, a local landowner in 1873. Streets were platted by Jacob Haessly and as rail lines were built, the area continued to grow. Lumberyards, mills, implement shops, general stores and specialty shops were thriving by 1880. In 1903 Campbellsport and nearby New Cassel were consolidated and the community has continued to grow. Today Campbellsport is home to approximately 1,950 residents.

FOND DU LAC (COUNTY SEAT)

Fond du Lac, French for farthest end of the lake, was originally a trading post. Ample natural resources and access to water attracted pioneers and the area was quickly settled. Streets were platted by Judge Duty in 1835 and by 1850 its population had reached 1,100. As the railroad arrived in 1852 Fond du Lac developed dramatically as passengers and goods were easily transported. The community was selected as the county seat and churches and schools were constructed to meet the growing needs of its residents, including famous resident King Camp Gillette who invented the safety razor. Today Fond du Lac is home to approximately 42,424 residents.

KEWASKUM

Kewaskum is a village in Washington and Fond du Lac Counties. It was incorporated as a village on March 28, 1917. Kewaskum has been referred to as the "Gateway to the Kettle Moraine State Forest" located along the banks of the Milwaukee River. It has had a post office called Kewaskum in operation since 1849. The settlement was named for Kewaskum, an Indian chief. His Menominee name was Kēwāēskam which means "Steps it back". Currently Kewaskum is home to approximately 4,004 residents which resided in the Washington County portion of the village.

RIPON

Settlers arrived to the Ripon area in 1844 and were part of a failed utopian socialist experiment led by Warren Chase. The community was called Ceresco and Captain David Mapes purchased land in 1849 to establish the village of Ripon. The two communities merged in 1853 and were incorporated in 1858, adopting its name after Ripon, England. Today Ripon is home to approximately 7,479 residents.

WAUPUN

First settled by Seymour Wilcox in 1839. The area was first known as Madrid but was changed to Wabun, a Native American word meaning rising sun in the east. A postal spelling error led to its current spelling in 1851 and a state penitentiary was constructed the following year. The area grew dramatically upon the arrival of the railroad, became a center for commerce and industry and has continued to thrive. Today Waupun is home to approximately 10,480 residents.

Once home to Winnebago, Fox and Menominee Indian tribes, Winnebago County was settled in the 1830s and organized in 1840. Settlers were attracted to the fertile soil, access to water and ample natural resources. In 1842 Oshkosh was selected as the county seat and development of the railroad allowed for dramatic growth. Early industry was led by commercial fishing, lumbering and agriculture. By 1900 its population had reached 58,225 and the area continued to prosper, growing to 76,622 in 1930. Today Winnebago County is home to approximately 171,730 residents.

**Populations are approximate.*

MENASHA

Ample timber, access to water and fertile soil attracted settlers to the Menasha area in the 1840s. The community was originally part of Neenah until 1855 when the two towns were split and was named after an Indian word for island. Early industry was led by lumbering and the Menasha Wooden Ware Company was one of the largest producers of wooden products in 1872. The city is located mostly in Winnebago County and a small portion is in the Town of Harrison in Calumet County. Today Menasha is home to approximately 17,353 residents. Of these residents around 15,144 are in Winnebago County, and around 2,209 are in Calumet County.

NEENAH

Neenah, an Indian word for water, was settled in 1835 and named by Judge Doty. The Fox River supplied power and mills were established along the shores. Industry was dominated by lumbering and agriculture. As transportation continued to improve, Neenah continued to develop. It is known as the birthplace of George Edwin Bergstrom, an architect who designed the Pentagon. Today Neenah is home to approximately 25,470 residents.

OSHKOSH (COUNTY SEAT)

Oshkosh, an Indian word for claw and named after Chief Oshkosh, was settled in the 1830s. The community was incorporated in 1853 and selected as the county seat. Industry was dominated by lumbering and railroad expansion allowed for dramatic growth. By 1890 its population had reached 22,840 and the area continued to develop. In 1895 OshKosh B'Gosh was founded and originally produced work clothing for adults and grew to be known for its world famous children's clothing. Today Oshkosh is home to approximately 63,701 residents.

Calumet County, first known as Chalumet County, was founded in 1836 and its name was derived from the Indian word for Pipe of Peace. Indian Reservations were established throughout the area and as farms were established, communities were formed. Access to Lake Winnebago, fertile soil and ample natural resources attracted many residents and by 1860 its population had reached 7,895. Early industry was led by agriculture and manufacturing and the area continued to grow. Today Calumet County is home to approximately 48,971 residents.

**Populations are approximate.*

CHILTON (COUNTY SEAT)

Chilton, originally known as Stantonville, was settled in 1845 by Moses Stanton. Stanton constructed a sawmill which began to draw new residents and in 1853 the community was organized and renamed Chillington. Its name was then shortened to Chilton and the community was selected as the county seat and incorporated in 1877. Schools, churches and businesses were established which included a newspaper office, fire department, hotels, manufacturing shops, breweries, flour mills, general stores and specialty shops. Today Chilton is home to approximately 3,708 residents.

HARRISON

Harrison was first known as Lima when it was established in 1853. In 1858 as the area began to grow, its name was changed to Harrison, and the first town hall was constructed in 1868. Railroad expansion allowed for development and its proximity to Lake Winnebago attracted many new residents. Today Harrison is home to approximately 10,839 residents.

MENASHA

Ample timber, access to water and fertile soil attracted settlers to the Menasha area in the 1840s. The community was originally part of Neenah until 1855 when the two towns were split and was named after an Indian word for island. Early industry was led by lumbering and the Menasha Wooden Ware Company was one of the largest producers of wooden products in 1872. The city is located mostly in Winnebago County and a small portion is in the Town of Harrison in Calumet County. Today Menasha is home to approximately 17,353 residents. Of these residents around 15,144 are in Winnebago County, and around 2,209 are in Calumet County.

APPLETON (COUNTY SEAT)

Located in Outagamie, Calumet & Winnebago Counties. Originally a trading post, Appleton was established as the Lawrence Institute. It was founded in 1847 and the community was named after Samuel Appleton, an early resident who donated \$10,000 to the college. Appleton is the County Seat of Outagamie. Businesses included paper mills, hotels, general stores and the community continued to grow. Appleton is now known as being the residence of the famous magician Harry Houdini in the 1880s. Today Appleton is home to approximately 70,897 residents.

GRAND CHUTE

The Town of Grand Chute was formed on April 3, 1849 which at the time was in Brown County. Outagamie County was founded in February 1851 and had its county government formally organized on April 1, 1851. At that time, the Town of Grand Chute changed from Brown to Outagamie County and was established as the seat of county government affairs. In 1984 residents approved using town funds to attempt to incorporate the town into a village. After town hearings in late 1984, Grand Chute petitioned to the State of Wisconsin. The Wisconsin Department of Development denied the town's request to incorporate on March 25, 1985. Today Grand Chute is home to approximately 20,919 residents.

KAUKAUNA

This area was established in 1885. It was formerly known as "The Lion on the Fox." Kaukauna is one of the oldest towns in Wisconsin. The establishment of a hydroelectric plant, to fuel the cities industry, gave the town the new nickname "The Electric City." Today Kaukauna is home to approximately 15,462 residents.

NEW LONDON

New London was founded in 1851. Within the city and surrounding the city are 900 acres of parks, trails and recreational areas. New London is considered one of the fastest growing cities in Outagamie County. New London sits on both the Wolf and Embarrass Rivers making it a destination for boaters and fishermen. Today New London is home to approximately 7,295 residents.

DISC GOLF

Disc golf or frisbee golf is played a lot like traditional ball golf but instead of hitting a ball with a club into a hole the player throws a frisbee into a basket. Disc golf can be played by just about anyone at any age. It's also an inexpensive sport to get into. Specialized frisbees for disc golf cost around \$10-\$15 and a lot of courses are free. Playing disc golf is a great way to get out for some exercise, enjoy nature and have some fun.

HUNTING SEASONS

DEER

Archery and Crossbow

Sep. 17, 2022–Jan. 8, 2023

Archery and Crossbow *Metro Sub-units only*

Weigh Your Fish With a Ruler

Use this chart to estimate your fish's weight so that you don't hurt it. Please be aware that these are simply estimates because lake or stream-specific fish weights can vary slightly.

Crappie		Bass		Walleye		Northern	
length (inches)	weight (lbs.)	length (inches)	weight (lbs.)	length (inches)	weight (lbs.)	length (inches)	weight (lbs.)
8	0.3	12	1.0	14	1.0	24	3.2
9	0.4	13	1.3	15	1.2	25	3.6
10	0.6	14	1.7	16	1.5	26	4.0

FIREWOOD

Burn it where you get it!

Invasive pests like the Emerald Ash Borer and Gypsy Moth have devastated millions of trees in the United States. Where these pests come from, the population stays in control because, they have natural predators. The United States does not have these natural predators so the populations have the chance to grow to extreme numbers.

Emerald Ash Borer

Gypsy Moth Caterpillar

Preventing the Spread

- Buy local firewood.
- Burn all firewood completely at each destination.
- Move only Certified firewood out of a quarantine county or across state boundaries.
- Use firewood from nearby sources to heat your home or cabin.
- Tell your friends and family about the importance of not moving firewood.
- Don't move hardwood firewood out of a quarantine county, unless it is state or USDA certified.
- Don't move opened firewood bundles.
- Don't move firewood long distances to or from your lake home or cabin.

Invasive Pests are a Problem!

The Best of Wisconsin Outdoors

Be Aware of your Surroundings

- Always wear a properly fitting bike helmet as most serious injuries are to the head.
- Be sure your handlebars, seat and wheels fit snugly.
- Keep your bike in good shape by checking and oiling your chain, making sure your brakes work properly and maintaining your tire pressure.
- Always ride with both hands on the handlebars except when doing turn signals.
- When leaving a driveway, curb or alleyway always stop and check for traffic in both directions.
- Cross only at intersections.
- Use the crosswalk to walk your bike across busy intersections and follow the traffic signals.
- Never ride against traffic. Travel in the same direction as the cars.
- Whenever you can, use bike routes and avoid busy streets.
- Don't ride near parked cars as doors can open and cause accidents.
- Obey all traffic signs and traffic lights.
- When biking with friends, ride in a single file.
- Always pass other bikers or pedestrians on the left and say "On your left!" to make your presence known.
- Always use bicycle hand signals to alert traffic of your changing direction.

Bicycle Hand Signals

Drink lots of Water!

Know Your ATV

Read the owner's manual

and know your vehicle thoroughly. • Check your vehicle before you ride. • Wear protective equipment and clothing. • Don't lend your vehicle to unskilled riders. • Supervise young or inexperienced riders. • Never carry a passenger on vehicles meant for one rider. • Do not operate under the influence of drugs or alcohol. • Drive at speeds that are appropriate to trail conditions. • Stay to the right on trails. • Stay away from thin ice, open water and wetlands. • Know the weather forecast. • Make sure headlights and taillights work properly. • Maintain safe distances between other riders. • Reduce your speed when riding at night. • Yield to other motor vehicles and trail users. • Young or beginning riders are encouraged to take a safety training course.

SNOWMOBILE SAFETY

- Do not consume alcohol or take drugs prior to or during your snowmobile trip. Doing so increases your chances of injury or death.
- Slow down and don't cut to the inside of the trail corners. It's dangerous and illegal.
- If you snowmobile at night, don't override your lights.
- Always use the buddy system. Never ride off alone.
- Drowning is one of the causes of many snowmobile fatalities. Whenever possible, avoid the ice.
- Wear sensible, protective clothing designed for operating a snowmobile.
- Use a full size helmet, goggles, or visor to prevent injuries from twigs, stones, ice chips and other debris.
- Avoid wearing long scarves. They may get caught in moving parts of the snowmobile.
- Know the terrain you are going to ride. If unfamiliar to you, ask someone who has traveled over it before.
- Know the weather forecast, especially the ice and snow conditions.
- Be sure your snowmobile is in top-notch mechanical condition throughout the months of use.
- Familiarize yourself with the snowmobile you are driving. Thoroughly read the manual that accompanies the snowmobile.
- Do not pursue domestic or wild animals. That is not the conduct of a sportsman. Report such violations to the nearest law enforcement officer.

Snowmobile Hand Signals

PRIVATE PROPERTY
NO TRESPASSING

Please respect private property and no trespassing signs. Stay on trails. Exercise extreme caution on all lakes and streams. Obey all state and local laws and ordinances. Do not operate snowmobiles/ATV's on county roads or state highways.

Honey Glazed Chicken

With Green Beans & Coconut Rice

Simple meal with a Gourmet Feel

1 PREP In a medium pot, bring the **coconut milk**, 1 cup water, and a pinch of salt to a boil. Now trim the stemmed ends of the **green beans**, mince the **garlic**. Peel and mince 2 teaspoons **ginger**. Once the liquid is boiling, add the rice to the pot. Cover and reduce to a low simmer for 15-20 minutes, until tender.

2 COOKING THE CHICKEN Cut the **chicken** into thin strips, and season on all sides with salt and pepper (to taste). Pour a large drizzle of oil in a large pan over medium-high heat. Once hot, add the **chicken** strips and cook 3-4 minutes until golden brown.

3 COOK THE BEANS Pour another drizzle of oil in the same pan over medium heat and add the **green beans**. Cook for 5-6 minutes, occasionally tossing until tender and you can season with salt and pepper (to taste).

4 MAKING THE GLAZE Now combine the **soy sauce**, **ginger**, **garlic**, 2 Tablespoons **honey**, and 2 tablespoons of water in a small bowl.

Ingredients

- Chicken Breast
- Garlic
- Basmati Rice
- Green Beans
- Ginger
- Coconut Milk
- Honey
- Soy Sauce
- Oil

4 person

- 24 oz
- 4 Cloves
- 1 1/2 Cups
- 12 oz
- 1 Thumb
- 1 Can
- 2 TSP
- 2 TSP
- 4 TSP

5 TOSS IT UP Return the **chicken** to the pan and pour in the glaze. Increase heat to medium-high. Toss 1-2 minutes, until the **glaze** thickens.

6 PLATE & SERVE Serve the **glazed chicken** and **green beans** on a bed of **coconut rice**. Time To Eat!

Bon Appétit!

PREP: 10 MIN TOTAL: 30 MIN

Travel

Choosing the
perfect
destination

What is your dream vacation? Do you want to lay on the beach, hike a mountain or explore a city? Questions like these are a good starting point to decide on where to go. Do research on some different areas and activities that may interest you and any others that you are traveling with to identify the most suitable vacation area.

How long do you plan on being gone? Don't try to go too far or jam in to many activities if you don't have the time. Leave some free time in your schedule to accommodate any unforeseen changes during the trip.

Depending on what type of climate you are wanting to vacation in, plan your trip for an appropriate time of the year in that area. Also watch out for peak seasons at some popular vacation destinations. At these times prices may be higher with larger crowds.

Plan:

- Research and learn about the area you are heading to
- Check the Travel Advisories for your intended destination
- Pack the appropriate clothing and supplies you will need for your trip
- Have a backup plan in case of injury or illness while on your trip
- Let friends or family know about your trip

Protect:

- Make sure the food and water in the area is safe to consume
- Protect your skin from the sun and insects
- Don't take any unnecessary risks
- Keep an eye on your health while traveling & when you get back
