DISC GOLF

Disc golf or frisbee golf is played a lot like traditional ball golf but instead of hitting a ball with a club into a hole the player throws a frisbee into a basket. Disc golf can be played by just about anyone at any age. It's also an inexpensive sport to get into. Specialized frisbees for disc golf cost around \$10-\$15 and a lot of courses are free. Playing disc golf is a great way to get out for some exercise, enjoy nature and have some fun.

Hiking Safety Tips

Before heading out on a hike, make sure you are prepared. Determine the length of the hike you're going on and the type of terrain you are going to traverse. Make sure to wear suitable footwear depending on the weather and terrain. Pack an appropriate size backpack and proper gear for your hike. Let a friend or family member know when and where you are going and how long you plan on being gone.
