Redwood County History

Once part of Brown and Blue Earth Counties, Redwood County was founded in 1862 and named in honor of the local Redwood River. The first permanent settlers arrived in 1864 and most claimed land near forests and rivers. A post office was established by John R. Thompson and the county was officially organized in 1865. A school was constructed the following year and more settlers arrived to claim land. The first newspaper, the Redwood Gazette, was published in 1869 and as the railroad arrived, Redwood County grew dramatically. Hotels, businesses, lumber yards, grist mills and granite mining companies were established and by 1900, the population of Redwood County had reached 17,261. Today Redwood County is home to approximately 16,815 residents.

Redwood County Communities

BELVIEW

First recognized as Jones Siding and later Rolling Prairie, Belview was established in the 1860's as reservation lands were opened for settlement. As the railroad arrived in 1884, Belview continued to grow. Early industry was dominated by agriculture and more settlers arrived to farm the fertile land. In 1887 a post office was established and the community was platted in 1889. Today Belview is home to approximately 384 residents.

LAMBERTON

Lamberton was platted in the early 1860's and was home to many who farmed the lush and fertile lands. The farmers were carried there by horses and oxen which were not only an effective form of transportation, but also the only way for settlers to plow the land. Lamberton's streets were and still are measured by how much room it took for two span of oxen and covered wagons to turn around. By 1900, a post office, blacksmith shop, banks, schools and churches were thriving. Today Lamberton is home to approximately 824 residents.

REDWOOD FALLS (COUNTY SEAT)

Redwood Falls is the county seat of Redwood County and was originally opened to settle in 1864, just two years after the Dakota Uprising. It was at this time that Colonel Sam McPhail was the first to settle where Redwood Falls is today. Besides Redwood Falls, McPhail also founded the cities of Caledonia and Brownville, and was also an early land owner of Beaver Falls. McPhail operated the first newspaper, The Redwood Falls Patriot, was the first judge of probate, first road supervisor, and first county attorney. In 1878 the Minnesota Valley Railroad made its first commercial run through Redwood Falls. Redwood Falls is known throughout Minnesota as "The Scenic City" and was given the name because of the rugged scenic beauty. Today Redwood Falls is home to approximately 5,254 residents.

SANBORN

Sanborn is a village which was platted in 1881 and incorporated in 1891. It was named after a prominent railroad official named Sherburn Sanborn. With the arrival of railway lines, Sanborn began to grow and a variety of businesses and grain elevators were established and the community continued to grow. Today Sanborn is home to approximately 339 residents.

Redwood County Communities

WABASSO

Wabasso was settled in the 1880's and early industry was agricultural based. As the railroad arrived, the community began to grow. By 1900 grain elevators, saloons, churches, schools, banks and a blacksmith shop were thriving. The community incorporated and continued to develop. In January of 2000, Wabasso celebrated its centennial anniversary. Today Wabasso is home to approximately 643 residents.

WALNUT GROVE

The town of Walnut Grove started in the 1870's shortly after the Civil War had ended. At this time pioneers settled primarily along the banks of the Plum Creek. The first school was established in 1873 when Lafayette Bedal, the town's first postmaster, opened his home to school age children and began holding classes. In 1879 Walnut Grove was officially incorporated as a city and was named after the beautiful grove of walnut trees near the town. Walnut Grove is most notable for its association with the story of Little House on the Prairie and Laura Ingalls Wilder. It is also home to the Laura Ingalls Wilder Museum and the Ingalls Dugout site where visitors can explore the landmarks Laura had described. Today Walnut Grove is home to approximately 599 residents.

WANDA

Wanda was platted in 1899 as a railway village as settlers were attracted to the fertile soil and ample timber. Its name was derived from the Ojibway word, "Wanenda," meaning forgetfulness. In 1900 the first post office was founded and the community began to grow. In 1906 Wanda was incorporated and businesses were established to meet the growing needs of its residents. Today Wanda is home to approximately 103 residents.

Lyon County History

Once part of Wabasha County, Lyon County was founded in 1853 and named in honor of George Nathaniel Lyon. The first permanent settler in Lyon County was T. W. Castor who claimed land in Stanley Township. A variety of settlers soon followed and by 1868, the population of Lyon County had grown dramatically. Early settlements were located near the Cottonwood and Redwood Rivers and a post office was established in Lynd Township in 1868 with D. M. Taylor serving as the area's first postmaster. Hotels, businesses, lumbering camps and grist mills were founded and the county was officially organized in 1870. Churches and schools were built, attracting more settlers to the area. With the arrival of the railroad in 1872, development was rapid and Marshall was selected as the County Seat. By 1900 the population had reached 14,591 and Lyon County was widely recognized as one of the richest agricultural counties in Minnesota. Today Lyon County is home to approximately 25,425 residents.

COTTONWOOD

Cottonwood was platted in 1888 as a Great Northern Railway village in the Lucas Township. It received its name from the adjacent lake, which has many cottonwood trees on its shoreline. Cottonwood is home to the Norseth-Larsen House, built by Martin Norseth, one of the first residents of Cottonwood in 1898. It is considered a landmark in the city and boasts many historically significant materials. Today Cottonwood is home to approximately 1,148 residents.

GHENT

Ghent was a railway village platted in 1878 and later incorporated in 1899. At first, Ghent bore the name of its township. It was not until September 1881 that it was renamed after the ancient city of Ghent in Belgium. The name change was based on the fact that many who settled in the area in the 1880's were Belgian colonists lead by Bishop Ireland to settle in this part of the country. As the railroad arrived, Ghent continued to grow and develop. Today Ghent is home to approximately 315 residents.

Lyon County Communities

MARSHALL (COUNTY SEAT)

Marshall, the current county seat, was founded in 1872 by the Winona and St. Peter Railroad Company. In 1888 a second railroad company, the Great Northern Railroad, arrived, making Marshall a booming town. Since the late 1880's Marshall has functioned as an important part of the region's economy. It was platted out in 26 blocks with 126 lots for homes, 144 lots for businesses and 28 miscellaneous lots. Marshall became the county seat of Lyon County in 1873, just one year after it was platted. In 1889 the Marshall Milling Company was opened. This was Marshall's entry into the industrial revolution and created the industrial climate that presently exists. Today Marshall is home to approximately 12,735 residents.

MINNEOTA

Minneota was platted in 1881 as a railway village in Eidsvold Township. It has a Sioux name meaning "much water" based on its geographical location. Professor A.W. Williamson wrote of Minneota's origin, he says "it is said to be so named by an early settler on account of an abundance of water flowing into his well." Today Minneota is home to approximately 1,449 residents.

TRACY

Tracy was established in 1870 as a prominent railroad center in Minnesota, named in honor of John F. Tracy, a former president of the Tracy Railway Company. Tracy was later platted in 1875 and incorporated as a village in 1881. Its first library was opened in 1880 and the area continued to grow. It is known nationwide for its annual Labor Day weekend "Box Car Day" celebration. Today Tracy is home to approximately 2,268 residents.

Lincoln County History

Lincoln County was established in 1873 from part of Lyon County and named in honor of President Abraham Lincoln. Ivanhoe was selected as the county seat and by 1880 its population had reached 2,945. Early industry was dominated by agriculture and railroad expansion prompted development. By 1900 the population of Lincoln County had reached 8,966 and the area has continued to thrive. Today Lincoln County is home to approximately 5,896 residents.

ARCO

Arco was originally recognized as Arola when streets were platted in 1900 and the first post office was established that same year. Its name was derived from the Italian city Arcola and was shortened to avoid postal confusion with an already established railway station of the same name. The community was reincorporated in 1903 and railroad development allowed for growth. Today Arco is home to approximately 75 residents.

HENDRICKS

The first post office in the Hendricks area was established in 1884 and the community was incorporated in 1900. Its location near rail lines allowed the community to become a trading center between Minnesota and South Dakota. The community is now home to the Buffalo Wind Farm, one of the largest wind farms in the nation. Today Hendricks is home to approximately 713 residents.

IVANHOE (COUNTY SEAT)

Ivanhoe was platted in 1889 and its name was derived from a character created by Sir Walter Scott. A post office was established and the community was incorporated in 1901. Ivanhoe was selected as the county seat after it was moved from Lake Benton and the area continued to develop. The community is widely recognized for its Polska Kielbasa Days celebrated every August, that pays homage to its first settlers. Today Ivanhoe is home to approximately 559 residents.

LAKE BENTON

Lake Benton was named in honor of Senator Benton who served until 1851. The community was selected as the county seat until it was moved to Ivanhoe in 1902. Lake Benton is widely recognized as the "Original Wind Power Capital of the Midwest," as over 600 wind turbines border the nearby Buffalo Ridge and the area houses the Heritage Museum and Wind Power Learning Center of Southwest Minnesota. Today Lake Benton is home to approximately 683 residents.

TYLER

Tyler was named in honor of C.B. Tyler, a prominent businessman, and the first post office was established in 1879. Railroad expansion allowed for growth and Tyler's population grew dramatically. Streets were platted and the community was incorporated in 1887. Early businesses included saloons, banks, hat shops, grocery stores, hotels, a movie house and a wide variety of specialty shops. Today Tyler is home to approximately 1,143 residents.

Disc golf or frisbee golf is played a lot like traditional ball golf but instead of hitting a ball with a club into a hole the player throws a frisbee into a basket. Disc golf can be played by just about anyone at any age. It's also a cheap sport to get into. Specialized frisbees for disc golf cost around \$10-\$15 and a lot of courses are free. Playing disc golf is a great way to get out for some exercise, enjoy nature and have some fun.

PULL THE PLUG ON AQUATIC HITCHHIKERS

Actions Required by MN Law to prevent the spread of aquatic invasive species:

- ✓ **Clean** aquatic plants, zebra mussels, and other prohibited invasive species off watercraft, trailers, and equipment before leaving the water access.
- ✓ **Drain** water from boat, ballast tanks, portable bait container, and motor before leaving a water access – and drain bilge, livewell, and baitwell by removing drain plugs. **Keep drain plugs out** while transporting boats.
- ✓ **Dispose** of unwanted bait in the trash. It is illegal to release live bait into the water, or to dump worms on the ground.

LAURA INGALLS WILDER MUSEUM

330 8th St.
Walnut Grove
507-859-2358
walnutgrove.org

The Laura Ingalls Wilder Museum stands as a heartfelt tribute to the beloved author whose life story captivated generations. Nestled in the charming town of Walnut Grove, Minnesota, this museum offers visitors an immersive experience into the world of the prairie pioneer who penned the iconic “Little House” series. The museum is a delightful blend of history and nostalgia, inviting guests to step back in time and explore the simple yet profound life of Laura Ingalls Wilder.

Upon entering, visitors are greeted by a warm and inviting atmosphere that reflects the spirit of the late 19th century. The museum showcases a rich collection of artifacts, photographs, and exhibits that chronicle Laura’s life—from her early years in a one-room cabin to her experiences traveling across the American frontier. Each display is thoughtfully curated, allowing guests to connect with the struggles and triumphs that shaped Laura’s character and inspired her writing.

One of the highlights of the museum is the interactive exhibits, which engage visitors of all ages. Children can dress in period clothing, try their hand at old-fashioned chores, or participate in storytelling sessions that bring Laura’s adventures to life. Additionally, the museum features a gift shop brimming with books, memorabilia, and handcrafted items that celebrate the Wilders’ legacy and the enduring themes of family, resilience, and pioneering spirit.

Whether you’re a lifelong fan of Laura Ingalls Wilder or a newcomer to her works, the museum offers an enriching experience that resonates with the heart of America’s pioneering history. As you explore the exhibits and stroll through the scenic grounds, you’ll gain a deeper appreciation for the remarkable woman who turned her childhood memories into a timeless literary legacy.

ARE YOU ELIGIBLE FOR VETERAN'S BENEFITS?

You may be eligible for veteran's benefits if you are:

- A Veteran • A Veteran's Dependent
- An Active Duty Military Service Member
- A Member of the Reserve or National Guard
- A Surviving Spouse, Child, or Parent of a Deceased Veteran

The Lyon County Veteran Services Office is an excellent source for information on all matters relating to veteran benefits, such as providing:

Be Aware of your Surroundings

- Always wear a properly fitting bike helmet as most serious injuries are to the head.
- Be sure your handlebars, seat and wheels fit snugly.
- Keep your bike in good shape by checking and oiling your chain, making sure your brakes work properly and maintaining your tire pressure.
- Always ride with both hands on the handlebars except when doing turn signals.
- When leaving a driveway, curb or alleyway always stop and check for traffic in both directions.
- Cross only at intersections.
- Use the crosswalk to walk your bike across busy intersections and follow the traffic signals.
- Never ride against traffic. Travel in the same direction as the cars.
- Whenever you can, use bike routes and avoid busy streets.
- Don't ride near parked cars as doors can open and cause accidents.
- Obey all traffic signs and traffic lights.
- When biking with friends, ride in a single file.
- Always pass other bikers or pedestrians on the left and say "On your left!" to make your presence known.
- Always use bicycle hand signals to alert traffic of your changing direction.

Bicycle Hand Signals

Drink lots of Water!

Know Your ATV

Read the owner's manual

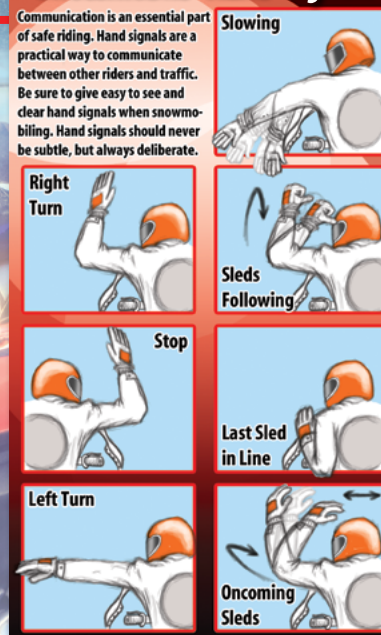

and know your vehicle thoroughly. • Check your vehicle before you ride. • Wear protective equipment and clothing. • Don't lend your vehicle to unskilled riders. • Supervise young or inexperienced riders. • Never carry a passenger on vehicles meant for one rider. • Do not operate under the influence of drugs or alcohol. • Drive at speeds that are appropriate to trail conditions. • Stay to the right on trails. • Stay away from thin ice, open water and wetlands. • Know the weather forecast. • Make sure headlights and taillights work properly. • Maintain safe distances between other riders. • Reduce your speed when riding at night. • Yield to other motor vehicles and trail users. • Young or beginning riders are encouraged to take a safety training course.

SNOWMOBILE SAFETY

- Do not consume alcohol or take drugs prior to or during your snowmobile trip. Doing so increases your chances of injury or death.
- Slow down and don't cut to the inside of the trail corners. It's dangerous and illegal.
- If you snowmobile at night, don't override your lights.
- Always use the buddy system. Never ride off alone.
- Drowning is one of the causes of many snowmobile fatalities. Whenever possible, avoid the ice.
- Wear sensible, protective clothing designed for operating a snowmobile.
- Use a full size helmet, goggles, or visor to prevent injuries from twigs, stones, ice chips and other debris.
- Avoid wearing long scarves. They may get caught in moving parts of the snowmobile.
- Know the terrain you are going to ride. If unfamiliar to you, ask someone who has traveled over it before.
- Know the weather forecast, especially the ice and snow conditions.
- Be sure your snowmobile is in top-notch mechanical condition throughout the months of use.
- Familiarize yourself with the snowmobile you are driving. Thoroughly read the manual that accompanies the snowmobile.
- Do not pursue domestic or wild animals. That is not the conduct of a sportsman. Report such violations to the nearest law enforcement officer.

Snowmobile Hand Signals

Communication is an essential part of safe riding. Hand signals are a practical way to communicate between other riders and traffic. Be sure to give easy to see and clear hand signals when snowmobiling. Hand signals should never be subtle, but always deliberate.

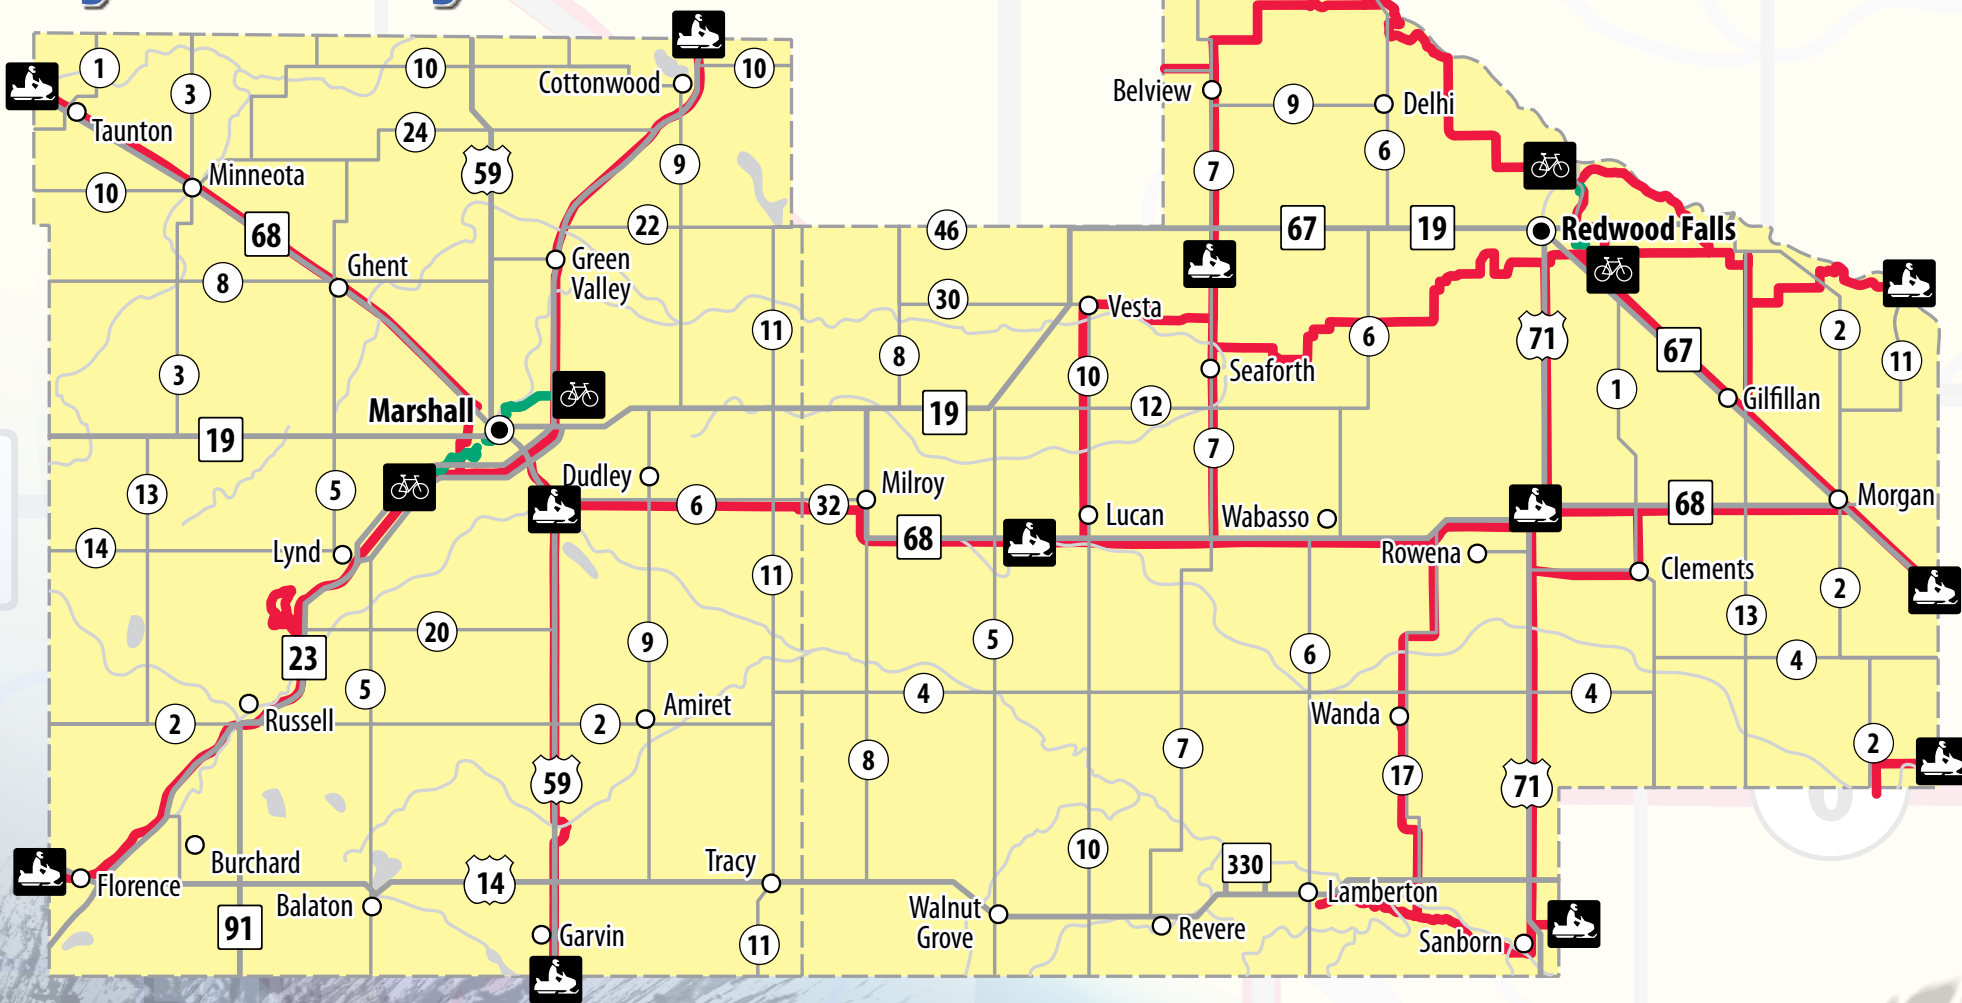

PRIVATE PROPERTY
NO TRESPASSING

Please respect private property and no trespassing signs. Stay on trails. Exercise extreme caution on all lakes and streams. Obey all state and local laws and ordinances. Do not operate snowmobiles/ATV's on county roads or state highways.
